Well I talked with Dr. Darbouze, about me been sent to a free word doctor, so that I oan find out what is wrong with my back. Well all Dr. Darbouze, *did was* order me some ex-ray after I told him that I had already had some done.

Dr. Darbouze will only talk with me, he does not examining my back what so ever. Dr. Darbouze will not given me my two try profile, because he said that he do not write them. Even though I told that I had it at Bibb Co. Corr. Fac.

Mr. Boyd,

You had an x-ray of your lower back on 4/21/06 and it was normal. You have profiles for a bottom bunk and a back brace, for six months. Dr. Darbouze did not find it medically necessary for you to have a no prolonged standing profile, when you were seen on 4/27/06.

KWilson, RA/H&A.

I am not sure what you mean in this letter when you say, "two try profile." KWilson, RA/H&A

PART B - RESPONSE

DATE RECEIVED 5-12-06

Mr. Boyd, as I explained when we talked today, 5/10/06, Dr. Dailhouse is not going to write for two tray profile. It is not medically necessary. When you saw him on 4/27/06, your weight was 168#. Today your weight was 174#. He did not find it medically indicated for you to be given a no prolonged standing profile at your visit on 4/27/06. If you are having further problems, you will need to follow the procedure to access healthcare to be seen and evaluated.

I went to see Dr. Darboize today, asked my No long standing profile, and when I seen him he said that he was not going to give me a No long standing, and also that he was going to take the profile. After he had already giving me. So I asked him if he want it back, he said yes. So I give it to him along with my back brace, because I can not have my back brace, I can't have it, unless I have my profile for #4. So I was happy that you can make him give it back, because I really need it.

PART A--Inmate Grievance Dear Ms. Wilson this is my second time written you about this problem about my back brace. I did not given Dr. Darbouze my profile for my brack brace, he asked for them. It was be very stupid for me to give Dr. Darbouze my profile went I was coming to get an no long standing profile. Also why would he have to re-write any profile that had being just wrote on 4-21-06. It's like I told you before, Dr. Darbouze told me that he was not going to given me any no long standing profile, and that he was going to taken the ones he had giving me. So I asked him if he want them now, he said

Mr. Boyd, when you were seen by Dr. Darbouze, at your appointments, there were no profiles medically indicated. Dr. Darbouze did not say he was going to take the profiles he had given you. You gave your profiles back to him at the brace to a nurse.
